

SIMBIONIX PRODUCTS
Making it All Come Together

Company

We are here to stay

- Over 17 years of global simulation leadership, innovation and experience with Simbionix Products
- Largest research and development team in the industry
- Sound financials for investing in creative new products and services
- Deep industry expertise and world class engineering talent
- 3D Systems is publicly traded on the New York Stock Exchange (DDD)

Customer Support

We are always available

- 2 International call centers
- Timely and effective customer service 24 / 7 days a week
- With 2600+ simulators in 70+ countries, we have the experience to provide the best service

"What truly sets Simbionix apart is their superior customer service and the high functioning individuals working for the company. Simbionix is and will continue to be successful because of its leadership traits."

Nikki Campbell, MSN, RN
Assist. Director, Virtual Patient Care Center
USF HEALTH CAMLS

Partnerships & Collaborations

We work with you to develop what you need

- **Physicians:** Work in collaboration with clinical consultants to assure accuracy of the clinical simulation and experience
- **Industry:** Provide training solutions for the world's leading device manufacturers
- **Associations:** Successful ongoing cooperation to meet certification requirements

"Only Simbionix has worked closely with physicians to develop a continuous improvement of a simulated environment."

Jeffrey Ponsky, MD
CLEVELAND CLINIC
